

**CAPPA 2017  
MIDYEAR Meeting  
Report of the Historian to the Executive Committee**

**FEBRUARY, 2017**

- 1. I have updated a spreadsheet of past meeting sites. I will post to the web so it will be available to anyone needing that info.**
- 2. BHSU continues to support CAPPA by maintaining all archived annual reports and newsletters as well as other items of historical significance. Any input from XC on desires for archives is appreciated.**
- 3. There is an ongoing issue with getting annual reports posted to the website. Formatting seems to be a problem. In addition, the resignation of Jeanne Hanson led to loss of information stored on her computer. I have been working to relocate files and if necessary rescan some of the reports. All hard copies are in the archives.**
- 4. GOALS:**
  - 1. Post all annual reports to history section of [cappaedu.com](http://cappaedu.com)**
  - 2. Work with Executive Committee to fulfill all responsibilities as defined by the bylaws and as directed by the XC.**
